

The American Association of Immunologists Funding Confirmation Form Instructions

The Funding Confirmation Form (FCF) is intended to provide AAI with accurate documentation of your research funding portfolio for the indicated fiscal year. This information is used to determine your financial eligibility for several AAI programs. Please review the following instructions before you fill out the FCF to ensure that you provide correct and complete funding information. **Any application submitted with an incomplete FCF will not be considered for award.**

A filled-in sample of the “**Research Support**” portion of the FCF has been provided below for your reference:
